

# Welcome ! aboard Allemand shipyard...

## ELECTRICITY

Our electric installations conform to national standards, checked annually. In case of accidental power cut outside opening hours, please wait until the shop is open.  
( 9h-12h / 14h-18h30 from monday to friday except bank holidays )

## WC / SHOWER

Use of WC and shower are free, reserved for our clients, please leave these premises as you would like to find them..

CODE accès : **1603 X SHOWER** © TO CANCEL  
WC **1852** + enter

## WATER

Water available on the premises is NOT DRINKING WATER. However there is a water fountain available on the corner of quai Méric / rue des chantiers )

## WASTE

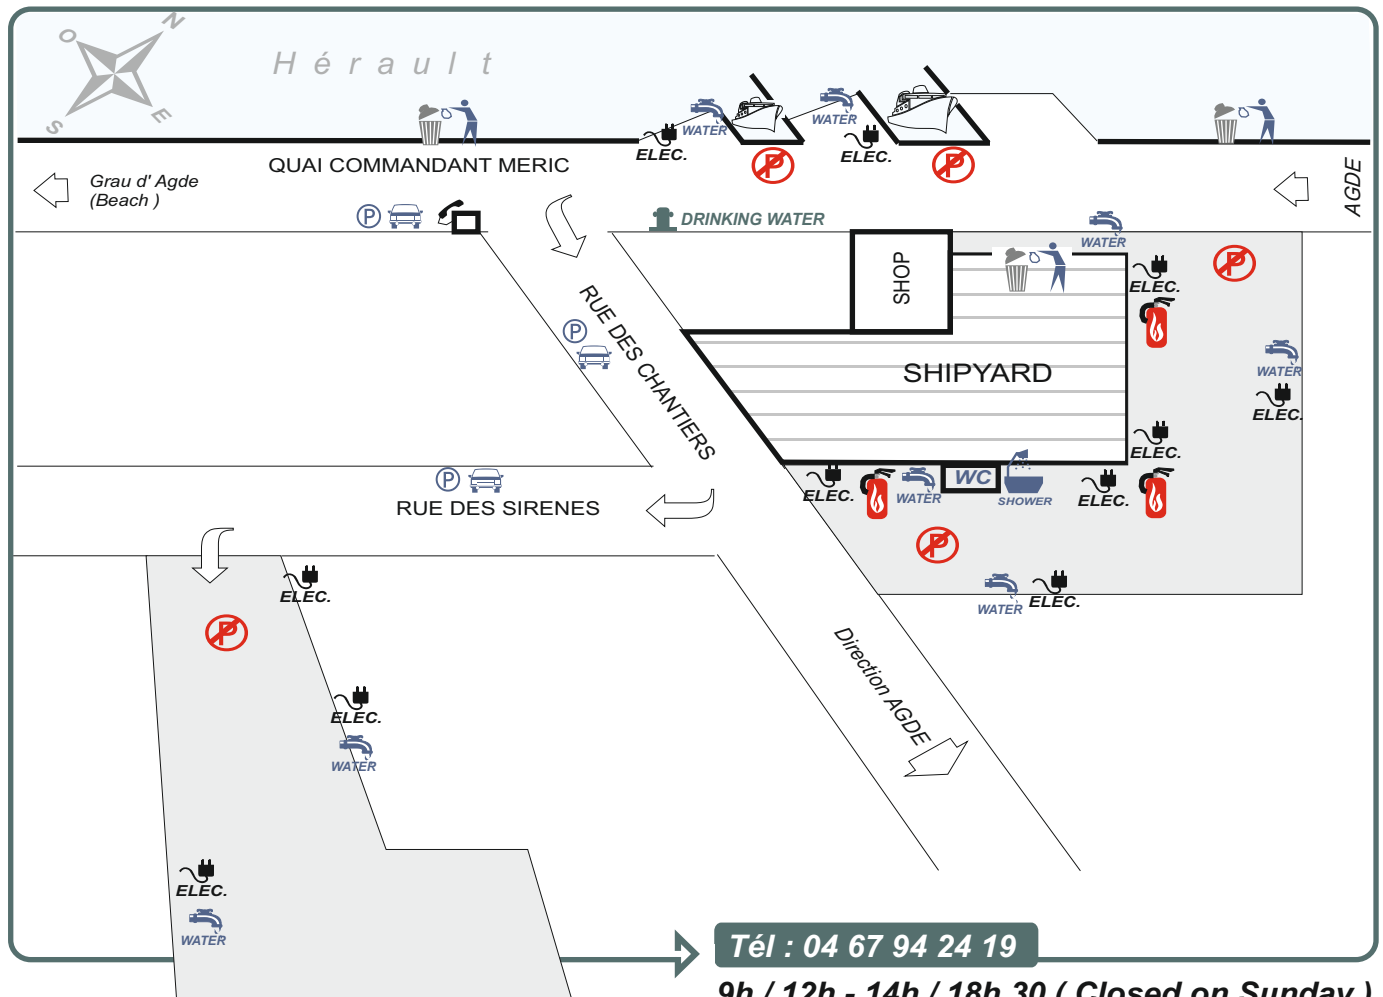

Household rubbish is disposed of in the skip inside the workshop during opening hours or in the little public rubbish bins on quai Méric. STEEL waste is recycled free of charge in the skip for this purpose in the workshop ( enquire at the shop )  
The rest of your rubbish is disposed of yourself at the Agde municipale rubbish tip. .

## PARKING

In order that our lifting Equipment can circulate freely around the workshop, we ask you, not park your vehicles close to boats..  
Please leave the parking places in front of the shop for passing customers.  
Parking recommendation:  
quai Méric, rue des chantiers, rue des sirènes.
